Call billing for other payment options 660-874-5111 or if you want to make a payment online go to www.nemr.net

NEMR has over 400 customers using the automatic bank deduct and more than 100 customers using the automatic credit card payment feature.

New Software

In June, **NEMR** converted to our new billing, service order and mapping software. **NEMR** employees have been training on the new software since June 7th. The 1st bill from our new software will be for the July billing. The new software has been a major undertaking but it will provide more benefits for our customers and employees as far as online self-care services and other services we hope to offer our customers in the future.

NEMR converted to the new financial software in 2004. With the new software in place all the departments will be integrated. This is a very exciting change for **NEMR**.

**Save with a
Talk-A-Lot Plan**

Northeast Missouri Long Distance, L.L.C.
